## Minutes

12:00 p.m.: Assistant Town Administrator starts by explaining how the walk-through of the facility will be.

Architect explains the layout of how the front office(s) will be and what will change and what will stay by using the construction plans as a visual.

In the rear of the building the architect details about how the new offices that will be constructed will be laid out. The tanks will be removed to add the additional office and hallway space. Architect explains that the ceilings will be created and that a "cubical farm" will not be used.

Question on parking. Architects walks through the new parking area around building and how they will be able fit parking spaces within the existing location.

Assistant Town Administrator thanked everyone for their time.
