- MR called the meeting to order at 5:02 pm.
- **Citizens Time** – n/a
- **119 S. Bedford St.** – Liz Rust, the town's external Housing consultant explained the maximum sales price and how it was calculated. MR is trying to get the home inspector to the location asap to determine the condition of the property. Our committee has until April 22 to decide whether we want to request Town Meeting for the authority to purchase the house and then resell the unit as affordable.
- **Rogers' Piano site** – SE mentioned the criteria still needs to be reviewed. It appears that both Zoning and Planning believe the process needs more time.
- **Affordable Housing Coordinator** – ES said we interviewed two candidates with another candidate being interviewed on April 7th.
- **Hybrid Meetings** – MR said this issue is in the hands of the legislators and asked our members to write to our State Reps to advocate continuing hybrid meetings (in-person as well as via Zoom/Webex).
- **Minutes** – the minutes for the March 29, 2022 meeting were not approved. Some members hadn't received a copy. ES will send again.
- **Old/New Business** – None noted
- **Next Meeting** – TBD

- **Adjourned** – the meeting was adjourned at 6:10
- Respectfully Submitted,
Eileen Sickler, Secretary
