Public: John Strauss, Shari Ellis
  2. Minutes Approved 4-0-1
2. Follow-up Discussion on 128 Business Council Transportation Regionalization Plan
  1. MI: No real update; Burlington didn't seem have a lot of traction – presentation to Select Board; cost for a pilot was startling. Lexington looking at other ways to start to work towards enhancements and updates to the service.
3. Safe Routes to School Update
  1. KB: Surveys were out and have been received back but no data available yet
  2. MM: eligible to apply for future funding
    1. Shari Ellis Q: crosswalk signage is lacking across much of the town. Is there an opportunity for funding for that kind of signage?
    2. MM: Believe this is exactly what funding is eligible for but not sure if it needs to be called out in the audits
    3. MI: might be other avenues for State funding – Safe Streets grant, etc
4. MBTA Bus Network Redesign
  1. John Strauss attended presentation and they broke into small groups; more frequent service throughout the day at expense of routes that don't carry a lot of people. Looking to drop 351 express; caused lots of dissatisfaction; it was an information gathering meeting
5. High School Transportation Survey
  1. Katherine reviewed the data from memory of the last survey a year or more ago.
  2. Request to share it electronically; Katherine will follow up.
