\*Contact Republic Services at 800-442-9006

## Transporting Waste

Please practice proper handling and transportation of household hazardous waste (HHW):

Do not mix materials	Use original containers	Do not obscure labels
No leaking or damaged containers	Do not tape items together	Use boxes or bins
Transport away from passenger seats	Do not smoke in car or at HHW	Do not get out of vehicle at HHW

## Can't Attend or Oversized Amounts?

If you can't attend a scheduled HHW event in Burlington, these companies accept HHW for a fee:

- Clean Harbors Inc. (Braintree, MA), 781-380-7177
- New England Disposal Technologies, Inc. (Sutton, MA), 866-769-1621

## Curbside Recycling Information

Contact the Department of Public Works at 781-270-1670 or visit the Trash and Recycling page. ([more info](#))
