## LEAVING THE PARK WITHOUT A PARENT/GUARDIAN

Before the beginning of each session, a form will be sent to your email address, which will ask whether or not your child has permission to leave the park on their own. Please fill out the form before attending the first day of camp. If not completed, the participants will require a parent or guardian to pick them up from camp.

## RAIN DAYS

If it is raining before our start time, call Burlington Parks and Recreation at **781-270-1695** and **press 3** to find out if we will be moving to our rain day location at Burlington High School Cafeteria. You can also check out the Burlington Parks and Recreation Twitter and Facebook pages. There will be no rain day location on Fridays. If it begins raining during the day, we will remain open as long as it is safe to do so. If conditions appear unsafe, please come and pick up your child. We will call the numbers that are listed on the Emergency Contact sheet if needed.

## EPIPENS

If your child requires an EPIPEN, please ensure that you have submitted all necessary forms to the Parks and Recreation office before the child begins their week of the program. If you have any more questions, please refer to the general parent information guide.

## MISCELLANEOUS

- Please pack enough water for your child to last through the day. We encourage children to take many water breaks throughout the day. It is essential to ensure children stay hydrated, as we will be outside in the heat and engaging in various activities.
- Please pack your child with plenty of snacks and a lunch for the day. Please pack a nut-free lunch and snack. It's essential to pack a lunch that will refuel your child, as we will be outside in the heat.
- We recommend that your child bring sunscreen to the park, as most of our activities will be done in unshaded areas. Additionally, if your child is sensitive to the sun, consider packing a hat or sunglasses.
- Your child is expected to wear sneakers as they will be participating in games that require physical activity. We will be on surfaces that aren't meant for bare feet (grass, mulch, pavement, etc.). Water days will be announced in the parent letter that is sent out at the beginning of each week.
- All staff are certified in First Aid and CPR. Please be sure to note any allergies, illnesses, or medications your child has when registering. Your child should bring any necessary items, such as inhalers, and know how to use them properly.
- If you plan not to attend the week you signed up for, please email or call the Recreation Department as soon as possible. Therefore, children who are on the waitlist can experience the Parks Place program.

## EXPECTATIONS

Your child's safety is our staff's number one priority. To ensure we have a safe and fun summer, there are a few expectations:

1. Be respectful to everyone at the park.
2. Listen to and follow instructions given by staff or volunteers.
3. Keep your hands to yourself.
4. Treat others the way you want to be treated.

Expectations will be communicated to children at Wildwood Park and altered if needed. If issues escalate, Burlington Parks and Recreation staff and parents will be notified to determine the next course of action.
