Wiring Inspector

\*\* Certified plot plan showing proposed location of pool or generator. Location of pool or generator must meet minimum setbacks of 15 feet from the side and rear of the property lines and 25 feet from the front of the property line (Town of Burlington Zoning By-Law, Article 5, section 5.2.0). **Any equipment, i.e., filters, cabanas, pumps, heaters etc., must also meet the lot line requirements.** A wiring permit is also required for the bonding of the pool and installation of any electric pool equipment. Per ZBL 4.1.4. \*\*
