

## SUPPLIER DECLARATION OF COMPLIANCE

### TenCate

736 Market Street, Suite 1700  
Chattanooga, TN 37402

**Subject:** Supplier Declaration of Regulatory Compliance

**To Whom It May Concern:**

TenCate hereby certifies that the synthetic turf systems and related components supplied by our company are in compliance with the following regulations and standards, to the best of our knowledge and based on information from our raw material suppliers and internal controls:

---

### 1. California Proposition 65 (Safe Drinking Water and Toxic Enforcement Act of 1986)

Our products do not contain nor intentionally add substances in quantities that would require a consumer warning under Proposition 65. We maintain supplier certifications and conduct risk assessments to ensure compliance with the latest published list of chemicals regulated under Prop 65.

---

### 2. Toxic Substances Control Act (TSCA) – U.S. EPA

TenCate synthetic turf systems comply with the Toxic Substances Control Act, including the TSCA Inventory and the 2021 TSCA risk evaluation requirements. We verify that the chemical substances used in our materials are either:

- Listed on the TSCA Inventory, or
- Exempt under applicable TSCA provisions.

---

### 3. REACH (Registration, Evaluation, Authorisation and Restriction of Chemicals – EU Regulation EC No. 1907/2006)

Our products are classified as **articles** under REACH and do not contain Substances of Very High Concern (SVHCs) above the threshold of 0.1% w/w, as defined in the most recent candidate list published by ECHA. We monitor and align our compliance with applicable Annex XVII restrictions.

---

### 4. PFAS (Per- and Polyfluoroalkyl Substances)

TenCate is committed to proactive compliance with evolving federal, state, and international regulations related to PFAS. To the best of our knowledge and based on supplier declarations, our synthetic turf systems are **PFAS-free** or contain **no intentionally added PFAS substances** as defined under applicable regulatory definitions, including those from the U.S. EPA and various state-level legislation.

---

We maintain ongoing communication with our suppliers, review regulatory updates, and implement testing and validation as needed to ensure continued compliance across all relevant jurisdictions.

Please contact us if additional documentation, declarations, or product-specific disclosures are required.

Sincerely,
